Dear Ms. Simpson:

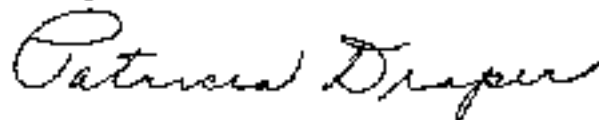

Enclosed please find an amendment to the above referenced report.

As you can see, due to a scrivener's error, the contribution from House Majority Fund was incorrectly re-designated on Schedule A, Itemized Receipts "Redesignations" for line 11c contributions on page 1 of 3, items C & D. As originally reported, the entries showed a redesignation from the "Primary" election cycle to the "Convention" election cycle. The Contribution should have been redesignated from the "Convention" election cycle (as originally reported on the July 15th Quarterly report) to the "General" election cycle.

Attached please find a new Schedule A page 1 of 3 for this entry making the appropriate correction.

Please let me know if you have any questions.

Sincerely,

Patricia Draper, Treasurer
